

**Do you want to support environmental education and have fun too?
Be a technical reviewer for NOAA's Monterey Bay Watershed Education and Training (B-WET) Program.**

I am currently looking for technical reviewers for environmental education proposals submitted under the Monterey B-WET Program. If you have experience reviewing proposals or are in the field of environmental/marine education or education, please consider this opportunity.

The details are as follows:

WHO: Those in the environmental/marine education field or education field (K-12 and higher), and those that have experience reviewing proposals.

WHAT: Proposals for outdoor experiential learning for students (K-12) and professional development in environmental education for teachers (formal and non formal).

WHEN: You will receive proposals the week of October 24. You will be given three weeks to review.

HOW MANY: 3-4 proposals.

HOW: Established criteria as outlined in the Request for Proposals are used to score and comment on the proposals. The process is all done on-line with a very easy to use database.

COMPENSATION: Since this is a Federal Program, there is no financial compensation, but you will feel great about supporting this wonderful program!

IF INTERESTED: Please contact me, Seaberry Nachbar, at seaberry.nachbar@noaa.gov.

IF NOT INTERESTED: Do you know of others that would be?
