\* Again, the date is SUNDAY, SEPTEMBER 19 from about 1 - 4 and on. RAIN DATE is Saturday, September 18. We know it's weird, but it works. Food keeps better. And if it rains both days, then we'll postpone to a future date (difficult to specify due to the interference of (religious) holidays and Tobay Boat Show. **BUT WE MUST KNOW IF YOU ARE COMING and LEAVE YOUR PHONE NUMBER.** thus we can prepare - if the potential turn-out is not adequate, we will contact those who called. And if the weather is "iffy," you might want to call the previous day to confirm.
